IMPROVE BRIDGES

REPAIR COUNTY STRUCTURES FOLLOWING FLOODS.

ANNUL ALL NEW WORK

Replace Concrete Culvert With Steel—Ayr Line Crossing Damaged by Platte is Still Impassable.

The improvement of bridges, culverts and roads which were damaged by the recent floods over Nodaway county is almost completed, according to John H. Clary, county highway engineer. The damage by the floods, however, necessitated the postponement of all contemplated new work, on account of the near depletion of the fund set aside for road and bridge improvements.

One of the improvements which has been finished is in replacing a 32-foot steel bridge with a concrete culvert at the north edge of Elmo. The bridge, while in fairly good condition, had been installed several years ago.

The steel from the Elmo structure was in turn removed to the crossing over the 102 river drainage ditch on the James Strickler farm, southwest of Hopkins.

A 24-foot steel bridge over the drainage channel at that place has likewise been removed to the overflow channel of the 102 river on the C. G. Swinford farm, east of Pickering.

A number of other smaller bridges and culverts over streams throughout the county have been entirely replaced by better structures or repaired to their normal condition.

But one bridge damaged by the recent floods remains to be repaired. It is a 30-foot steel structure over Turkey creek, at the extreme southeast corner of the county. It furnishes passage over that stream, on the Ayr line road.

One reason for the delay in making the improvement is because of its being a joint bridge, and the property of both Nodaway and Gentry counties. At present those going by that road are compelled to ford the stream below the bridge. The principal damage is to the approaches.

It is believed that all proposed new work will be annulled at least for this year, if not until next spring, on account of the extent of the damage by the overflow water the last month.

A great amount of work on the dirt roads, especially where they crossed or ran near the three rivers of the county, also was made necessary because of the floods. Gutters and wagon ruts were washed to ditch-like size in places, especially where there was a material grade.

SCHOOL OUT 2 AFTERNOONS

City Pupils Will See Home-Coming Events Both Thursday and Friday.

The near nine hundred boys and girls in the high and grade schools of Maryville will be dismissed both Thursday and Friday afternoons this week, that they may attend the home-coming celebration. Such is the joyous news that is sent out amid glad tidings from W. M. Westbrook, city school superintendent.

It was originally planned to dismiss all the schools for the entire day Friday on account of the home-coming, but the plan to dismiss on two afternoons instead was deemed more satisfactory to the pupils. In this way the pupils will be enabled to witness nearly all the events both days, as the home-coming program is not heavily strewn with attractions in the mornings.

All of the pupils will be free after noon on these two days. The scheduled work for Thursday afternoon will be resumed in Friday morning's session, so that the schedule of work will merely be postponed one day.

Visiting in St. Louis.

Mrs. Adolph Lippman is in St. Louis this week visiting her daughter, Mrs. Stella Brash. Mrs. Lippman was accompanied by her small granddaughter, Emma Adolphine Brash, and before returning home they will visit relatives in Cincinnati.

To Visit in Texas.

Daniel Drum and daughter, Epha, of Bedford, who have been spending several days in Maryville the guests of Mr. and Mrs. L. B. Tracy, left today for a several months visit at Waco, Texas.

To Spend Winter Here.

Miss Jennie Findley of Kentucky arrived in Maryville this week to spend the winter with her aunt, Mrs. Gallatin Craig.

RESUME BI-WEEKLY MEETS

County Medics Gather Friday for First Time Since Spring.

The Nodaway County Medical society will meet for the first time since last spring in the Carnegie public library at 7:30 o'clock Friday night. Except during the summer months the plan of the organization is to hold two sessions each month, they being on the first and third Friday nights.

The principal business to come up for consideration at this week's meeting will be the arrangement of plans for the coming year, a review of work since the last session, and probably other routine work relative to county affairs.

Members of the society from different parts of the county are expected to attend this service.

The officers are Dr. William Wallis, Jr., president, and Dr. Charles T. Bell, secretary.

IS STRICKEN WITH PARALYSIS

J. H. Bryant, a Former Resident of Burlington Junction Has Stroke.

John H. Bryant, a former resident of Burlington Junction and well known over Nodaway county, suffered a paralytic stroke in the union station at Kansas City Monday evening, and is now in a critical condition, according to a message received this morning. He was taken to Wesley hospital, in that city. Mr. Bryant is editor of the Triple Link, the official paper of the Odd Fellows. His home is in Moberly. Mrs. Bryant has gone to Kansas City to be at her husband's bedside.

POSTPONE FIREWORKS.

Pyrotechnical Display at Normal Will Not Be Given Tonight.

The scheduled pyrotechnical display of the Pain Fireworks company at the Normal athletic field tonight has been postponed on account of the inclement weather, announcement is made by the Commercial club. It was planned to show in addition to the regular exhibit an illuminated emblem of the Woodmen of the World for the pleasure of the Woodmen visitors here tonight.

As much as possible of the program scheduled for this afternoon, tonight and tomorrow, however, will be given, it is announced.

NOREEN WHITE IMPROVING.

Verdict of Great Specialist Gives Complete Recovery for Little Girl.

When little Noreen White, the daughter of Mr. and Mrs. Lewis White, returns next week from Chicago, where she is under treatment of Dr. John Ridlon, a famous specialist, she will be free from the cast in which she has been kept for the past two years and will be supported with only a moderate brace. In a letter received from the parents of the child today, it was stated that Dr. Ridlon's verdict was extremely favorable and there was no doubt of complete recovery. The child has been under the care of the specialist for two years.

Virginia, the 8-year-old daughter, who has suffered always a slight limp, caused by congenital dislocation of the hips, underwent an operation for the trouble yesterday. Mr. and Mrs. White and the two children went to Chicago Sunday morning.

EYEBALL BURSTS.

John Wendle, Hospital Patient, Loses One Eye.

John Wendle of Arkoe, who has been quite ill for some time, was brought to St. Francis hospital yesterday afternoon for treatment.

Mr. Wendle is over 75 years old. He lost the sight of one eye several years ago, and since that time the other eye has caused him considerable suffering. Tuesday the eyeball bursted. He was brought to the hospital in this city to undergo an operation.

Holds Funeral Services.

The funeral services of Mrs. Oma Hoy, a negro, of St. Joseph, who died Monday night at her home, were held this afternoon from the African Methodist church. The body was brought to Maryville at noon today. Mrs. Hoy was the daughter of Mr. and Mrs. Steve Martin.

Has Adenoids Removed.

Marvin Adkins, the 12-year-old son of J. J. Adkins of Elmo, was operated upon at St. Francis hospital this week for adenoids by Dr. F. R. Anthony. He is doing nicely and will be able to return home within a few days.

Get Marriage License.

A permit to wed was granted this afternoon by Recorder of Deeds J. Arthur Wray to Luther Wineinger and Miss Myrtle F. Barker, both of Grant City.

FIERCE BATTLE ON

ALLIES' LINES HOLD AGAINST GERMAN ASSAULT.

WILL BESIEGE BELFORT

Teutons to Lay Siege to Enemy's City With Large Force—Von Kluck's Attack Fails.

London, Oct. 14.—A fierce battle is proceeding in the triangle of Dis-Munde, Ypres and Dunkirk, near the Franco-Belgian line. General Von Kluck's right wing is making a determined effort to cut through the allies' lines, but thus far has been frustrated. The Teutons are preparing to lay siege to Belfort with an immense force.

WOODMEN PARADE TONIGHT

Order and Circle Also Will Drill This Afternoon, Weather Permitting.

The Woodmen of the World and the Woodmen Circle, the women's auxiliary, will give the scheduled drill contests about 3:30 o'clock this afternoon if the weather is at all favorable. It was planned to hold the drills an hour earlier, but on account of a delay in the arrival of visiting teams, because of late trains and the rain, will be tardy.

The Woodmen illuminated parade from Second and Main streets to the Normal and the initiation of candidates there also will be given tonight as planned, if it is not raining at the time. The parade is to start from the city at 7:30 o'clock. The initiation will be held regardless of the weather.

A large number of Woodmen and Circlers arrived over the Burlington rain at 2 o'clock this afternoon, but the band failed to appear, on account of the pranks of the weather. The attendance from nearby towns also was diminished materially today.

The egg race, tug of war and log-rolling contests have been abandoned definitely, it was announced this afternoon by Berney Harris, counsel commander. The Circlers will parade this afternoon in the hall, Third and Main streets if it is raining at the time.

Smith Baby Dies.

The 6-months-old baby of Mr. and Mrs. J. D. Smith, living west of Burlington Junction, died this morning. The funeral services will be held at the home tomorrow.

RAIN DELAYS SHOW

HOME-COMING CELEBRATION HIT HARD BY WEATHER.

TOMORROW IS BIG DAY

Several Prominent Persons, Former Citizens on Program for Addresses Thursday.

Thursday—Home-Coming Day.

Morning:

10:30—Band concert.

11:30—Free act, Marvelous Poole, Fifth and Main streets.

Afternoon:

1:30—Free act, Bennett & Lowe, comedy pantomimists, Second and Main streets.

2:00—Selections by Conservatory Glee club, Prof. H. B. Schuler, director. The glee club will sing one song written especially for and dedicated to the home-coming celebration.

2:30—Address by Mayor Henry L. Jost of Kansas City, Samuel O. Dunn of Chicago, E. E. E. McJimsey of Springfield, B. Raleigh Martin and Merrill E. Otis of St. Joseph. The addresses and selections by the glee club will be given in the band stand if the weather will permit, otherwise they will be given in the circuit court room in the court house.

4:00—Free act, Capt. Berry on high wire, Fourth and Main streets.

5:00—Band concert.

7:15—Pain's fireworks at athletic field, State Normal grounds, weather permitting.

9:00—Free act, Bennett & Lowe, comedy pantomimists, Fifth and Main streets.

10:30—Free act, Capt. Berry, on high wire, Fourth and Main streets.

Maryville and Nodaway county folk awakened this morning to the second day of the proposed home-coming celebration, only to be greeted as on several previous mornings, with a heavy, overcast sky, intermittently dripping rain and with chill blasts from the northland accompanying. It is tough luck to be sure. It is the one event in the whole five days' fete that was not scheduled, yet has the floor almost continually.

With the dirt roads over the county slippery and slimy, a northeastern wind and a chill rain to face, the country people are loathe to leave their cheery firesides for all the festivities and fetes in the world.

The continued rainy spell has not, however, dampened the spirits of the Maryville boosters, to whom credit is due for getting the home-coming celebration. The loss is falling heavily on the Commercial club and the W. O. W. order, which was to have given its stunts yesterday and today, must be contented with just about one-half of the intended events and contests, and maybe the list of candidates for initiation will be reduced materially. What scheduled events the Woodmen will not get to install today must go without installation, it is said.

Will Speak Anyway.

Tomorrow is home-coming day, proper—in fact, the one big day of the entire five—so the Woodmen cannot very well squeeze their stunts into the program of future days, W. R. Jackson, Commercial club secretary, announces.

Such prominent persons who formerly lived here as Henry L. Jost, mayor of Kansas City; Samuel O. Dunn, editor of the Railway Age Gazette, and several others, are on the program for speeches at 2 o'clock tomorrow afternoon. This is the one stunt that the weather will not feaze, unless it reduces the crowd to such an extent that there is no audience.

But if the weather is at all favorable, the addresses will be in the open. If not favorable the speaking will be inside. The Glee club of the Conservatory of Music also has arranged some good numbers for the afternoon, while the Pain pyrotechnical display will illuminate the sky towards the Normal, weather permitting, of course.

Woodmen Stunts Delayed.

Another place where the delayed festivities and crowds is causing a loss is in the Tom W. Allen shows, congregated about the court house square. With but this one week to go yet before putting into winter quarters at Leavenworth, Kan., many of the employes are getting weary of the pre-winter weather, and are anxious to cuddle up to the home hearth.

But one show was opened last night and few will be operated this afternoon and tonight if the present variety of weather prevails. The free acts scheduled for last night also were called off by the Commercial club.

Some of the Woodmen stunts planned for this afternoon and tonight may be given if the rain holds off for even a few hours. The north side of the square was flushed this morning by the city, and everything arranged for the events if the weather permits them being held.

HEADS ECONOMIC DEPARTMENT.

Miss Floy Lyle in Porto Rico Schools—Likes Island Life.

Miss Floy Lyle, the daughter of Mr. and Mrs. Robert Lyle of this city, who left Maryville the latter part of August for Porto Rico, to take up work in the government schools, has been placed as head of the home economics department of the school at Naguabo, P. R. Two others of Miss Lyle's associate teachers are Americans. They are the heads of the manual training and English departments.

Naguabo is a town of 6,000 inhabitants. Miss Lyle is much interested in her new work and is delighted with the island.

IS A "BOOSTER" EXHIBIT.

Agricultural and Domestic Science Display One of the Finest.

As seen in the Borrusch building this afternoon, the Nodaway county agricultural and domestic science exhibit is a "booster" and educational display rarely equalled.

On account of the inclement weather entries will be received until tomorrow night instead of the time ending at noon, as first announced.

The building has been handsomely decorated with the Normal colors of green and white and the national colors. The east half is devoted to the domestic science display and is under the supervision of Miss Hettie Anthony, head of the domestic science department, and Mrs. A. R. Perrin, dean of women of the Normal. Splendid articles in the sewing and cooking classes are on display.

The west half is devoted to the corn and horticultural show, and is under the supervision of County Superintendent W. M. Oakerson and his assistants.

The prize specimens of apples, potatoes, vegetables, corn and wheat entered give the visitor a profound admiration for Nodaway county.

Purchases Thornhill Farm.

Floyd M. and William Bagley purchased of Judge John G. Thornhill his 200-acre farm, northwest of the city, yesterday. The deal was made through Holmes & Wolfert.

Edison Blagg Home.

Edison Blagg, the son of Attorney and Mrs. W. A. Blagg, who has been attending the Irving school at Tarrytown, N. Y., arrived home this morning.

START CAMPAIGN

DEMOCRATS FORMALLY BEGIN COUNTY RALLIES MONDAY.

PLAN MEETING HERE

Political Exponents Will Speak in Maryville, October 30, With Former Governor Leading.

The Democratic speaking campaign over this county will be formally begun next Monday, and will continue until the general election, November 3. An active campaign will be made and political speeches of the Democratic brand will be delivered at nearly all the towns and many of the school houses over Nodaway county.

The only speaking yet arranged for Maryville will be on October 30, when former Governor A. M. Dockery will speak in the court house.

Congressman Charles F. Booher, who has been continuously in Washington for the last year, is expected to arrive home next Tuesday. He will probably give a number of speeches in Nodaway county.

The following are the places and local speakers for the meetings to be held next week:

Monday—Lafayette school house, W. G. Sawyers and Daniel R. Baker; High Prairie school house, Ellis G. Cook, M. E. Ford and Jesse F. Robertson; Brush Africa school house, Charles F. McCaffrey.

Tuesday—Plum Grove school house, William G. Sawyers and Daniel R. Baker; Davis school house, W. A. Blagg and Jesse F. Robertson; Singrey school house, Ellis G. Cook and M. E. Ford; Quitman, John M. Dawson and Charles F. McCaffrey.

Wednesday—Clyde, John M. Dawson and Jesse F. Robertson; Hopkins, Daniel R. Baker and Ellis G. Cook; Clearmont, William G. Sawyers and Charles F. McCaffrey; Elmo, L. C. Cook and W. A. Blagg.

Thursday—Skidmore, John M. Dawson and Ellis G. Cook; Burlington Junction, W. A. Blagg and L. C. Cook; Parnell, George Pat Wright, M. E. Ford and Charles F. McCaffrey.

Friday—Arkoe, Ellis G. Cook and Jesse F. Robertson; Gaynor City, George Pat Wright and Daniel R. Baker; Conception Junction, W. G. Sawyers and Charles F. McCaffrey; Fox school house, John M. Dawson and M. E. Ford; Guilford, W. A. Blagg and Daniel R. Baker.

Saturday—Graham, John M. Dawson and M. E. Ford.

All meetings will begin at 7.30 o'clock at night except the Graham meeting Saturday, which will begin at 2:30 in the afternoon.

866 ATTEND CITY SCHOOLS

Increase of 52 During First Month is Shown in Maryville.

A noticeable growth this year in the school attendance in the city institutions is shown in a report of W. M. Westbrook, superintendent of city schools. At the end of the first school month of this term, a total enrollment of 866 pupils in both the high and grade schools is recorded, while at the same time last year it was but 814. This makes an increase of fifty-two pupils during the year, nearly half of which is in the grammar school.

Last year at the end of the first school month the high school contained 194 students, while this month the enrollment in that division is 218. The remainder of the year's increase is distributed about equally among the ward schools, Superintendent Westbrook reports.

"I anticipate an enrollment of at least 900 pupils by the end of the year," said Prof. Westbrook. "Many high school pupils are unable to attend until after the Christmas holidays. Conditions in all the schools are good, and the work so far is going along better than usually is the case in the first part of a term."

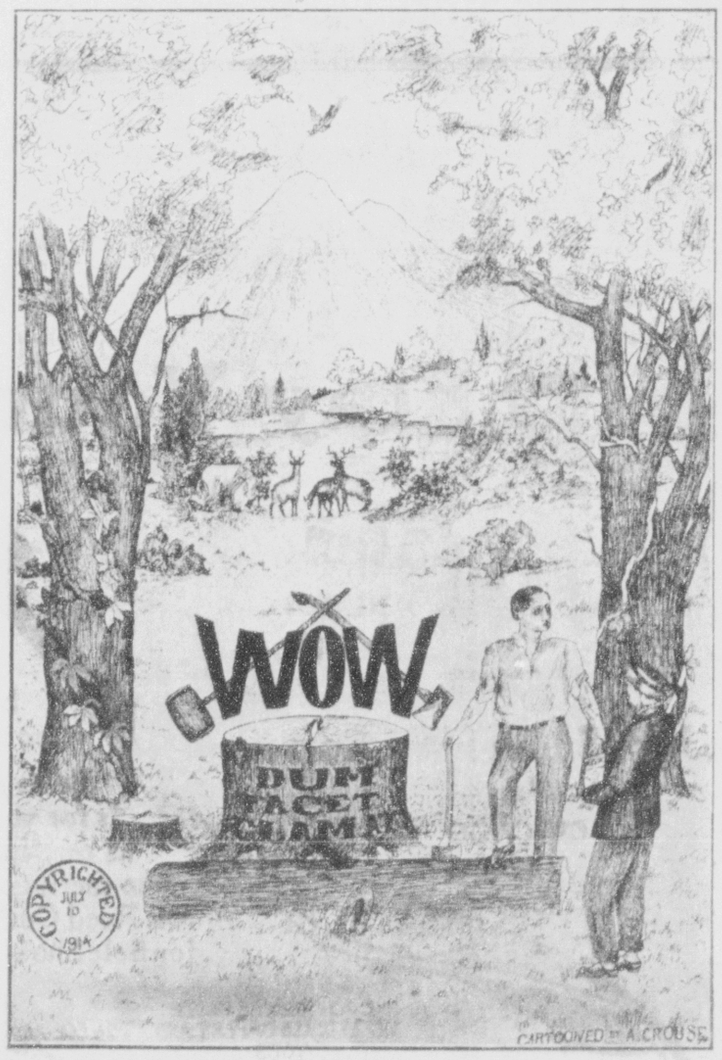
City Gets $20 in Fines.

The fine of three men for drunkenness and one for vagrancy netted the city $20 in addition to costs in police court this morning. The direct result of the increase in police business is accredited to the home-coming celebration. The costs in each case amounted to $6.10.

THE WEATHER

Unsettled tonight and Thursday; probably showers followed by clearing by Thursday night.

The Big Day of the Woodmen is Here



THEY USE THE AXE INSTEAD OF HAMMER.

The cartoon shown above was drawn by Albert A. W. Crouse, Jr., of Falls City, Neb., whose father is attending the Woodmen festivities here this week. Young Crouse is but 17 years old, yet he has drawn several cartoons which have brought him no little consideration from Nebraska newspapers. The fallen log in the picture represents the deceased sovereigns of the W. O. W.

POLITICAL NOTES.

Ex-postmaster, ex-treasurer, ex-national committeeman, and ex-a-few-other-things Akins, complains that prosperity has departed from the land since the Democrats came into power. Can it be that separation from the federal pay roll has affected the prosperity of Mr. Akins? His is about the only complaining voice lifted among us.

There is war in Europe, peace in America; why? President Wilson is the answer. Vote for Stone and the Democratic nominees for congressman and support the president.

Remember that a vote against Stone is a vote of disapproval of the Wilson administration.

The Sixty-third congress will go down in history as the congress of greatest achievement. Against the stubborn opposition of great business organizations and combinations of wealth, with their shrewd agents on every hand, many remedial laws have been enacted, and advance steps have been taken toward giving everybody a square deal. The great tariff wall, the stronghold of trusts, has been breached; the banking and currency laws have been revised so as to break the strangle hold of the money trust; public lands, natural resources and water power have been safeguarded for the use of the people; the trusts have been curbed; and commerce with foreign countries has been encouraged as never before. Does not this administration deserve credit? Does not every Democratic congressman deserve the endorsement of re-election? Answer this question at the polls in November.

MOTHER! IF CHILD'S TONGUE IS COATED

If Cross, Feverish, Constipated, Bilious, Stomach Sour, Give "California Syrup of Figs."

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is ofttimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup company."

Nearly Loses Eyesight.

A flying chip from a bone, narrowly missed extinguishing the sight of August Stapler's left eye yesterday afternoon, while he was employed at his work in the Forsyth meat market. The chip struck immediately above the ball, causing blood to flow but not injuring the eye.

Brings Daughter to Hospital.

Mrs. Joseph Worth of Clyde came to Maryville yesterday, bringing her 6-year-old daughter to St. Francis hospital, where the child will undergo an operation for the removal of adenoids.

ST. LOUIS WOMAN SUFFFERS FOR 15 YEARS; THEN FINDS RELIEF

Mrs. Rosa Bennett Escapes Operation After Taking Wonderful Stomach Remedy.

Mrs. Rosa B. Bennett of 2606B Olive street, St. Louis, Mo., was ill with stomach troubles for nearly fifteen years. She had a great deal of medical attention and took many treatments. She was advised to undergo an operation by one specialist.

Then she took Mayr's Wonderful Stomach Remedy and found swift relief. She wrote:

"I was a sufferer for about fifteen years and I tried everything. I doctored with different doctors, and each one would give my trouble a different name. One said that I would never be any better until I was operated on, and another one said I had ulcers of the stomach. I could get no relief.

"I took Mayr's Wonderful Stomach Remedy.

"Now I can't praise your medicine enough."

Mrs. Bennett has had just the same experience with Mayr's Wonderful Stomach Remedy that thousands of others have had.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretion and removes poisonous matter. It brings quick relief to sufferers from derangements of the stomach, liver and intestinal tract. Many declare it has saved them from dangerous operations; many are sure it has saved their lives.

We want all people who have chronic stomach trouble or constipation, no matter of how long standing, to try one dose of Mayr's Wonderful Stomach Remedy. One dose will convince you. This is the medicine so many of our people have been taking with surprising results. The most thorough system cleanser ever sold. Mayr's Wonderful Stomach Remedy is now sold here by Pearson's Pharmacy and druggists everywhere.

Lodge Meet Cancelled.

On account of the home-coming celebration, the regular meeting of the Rebekah lodge to have been held tomorrow night has been canceled.

Called Meeting of Society.

There will be a called meeting of the Ladies' Aid society of the First Methodist church at 2:30 o'clock tomorrow afternoon at the church. Important work is to come before the society and all are requested to be there.

M. I. Program Postponed.

On account of the inclemency of the afternoon the regular program to have been given by the M. I. Circle at the home of Mrs. C. B. Roberts was not given, and the meeting will be held in connection with the next session of the Circle, on October 27.

Mrs. Byrd Wins Honors.

In the married women's oratorical contest given Saturday night at the Parnell Methodist church, Mrs. F. M. Byrd won first prize. A big crowd attended. The affair was arranged by the Ladies' Aid society of the church and the proceeds were for the benefit of the society. Mrs. Byrd won the honors with a reading entitled "How Ruby Played."

Compliment Mrs. Snyder.

Mrs. Anna Snyder celebrated her birthday anniversary Monday, and to observe the day she was made the complimented guest of a dinner party at the home of her son, H. D. Snyder, on North Main street. The company included Mrs. Snyder, Mrs. L. Emmett Beal of Oelrichs, S. D., and Mr. and Mrs. H. D. Snyder and daughter. Mrs. Snyder was also remembered with a post card shower, numerous messages being sent in by friends all over the city and abroad.

Gives Convention Report.

Mrs. R. S. Braniger, worthy matron of the Order of the Eastern Star, gave a report of the recent grand chapter meeting at Kansas City, at the regular meeting of the local chapter held last night. Mrs. Braniger was sent as a delegate to the convention, and her report in detail was interesting. One item of special importance was the work done by the Eastern Star chapters of Missouri in sending, since its organization, $100,000 to the Masonic home in St. Louis.

To Compliment Visiting Friends.

Mrs. James Colby entertained a small coterie of friends at an informal tea this afternoon when the guests were bidden to meet several visiting friends who were Mrs. Gerard Smith of Paul's Valley, Okla.; Mrs. E. D. Holland of Hot Springs, Ark.; Mrs. C. M. Taylor of Denver, Col., and Mrs. Frank Shoemaker, Jr., of Oklahoma City, Okla.

To Attend District Convention.

Mrs. Oliver Garrett, Mrs. W. B. Christy and Mrs. Rolla Alexander left today for Mount Pleasant, Ia., to attend the district meeting of the Des Moines branch of the Women's Missionary society of the Methodist church, which opens there tomorrow morning. Mrs. Garrett and Mrs. Christy represent the Women's Foreign Missionary society and Mrs. Alexander is a delegate from the young women's society of the First Methodist church. Miss Mary Q. Evans, district secretary of literature, left last night for Mount Pleasant, and Miss Kate Moss of Kansas City, who has been visiting friends since the conference, accompanied the party today.

Club Meets With Mrs. Tate.

The inaugural meeting of the Shakespeare department of the Twentieth Century club was held yesterday afternoon at the home of Mrs. M. G. Tate. King Lear is the first study of the club, and act 1 was taken up yesterday. A delineation of the act was given by Mrs. J. S. Shinabargar, and this was followed by Mrs. John Cameron in an interpretation of the dramatic motives of Shakespearean tragedy. A general discussion of the act followed the readings. Mrs. Berney Harris gave a part of the program devoted to current events.

Preceding the program a short business session was held, and Mrs. Gallatin Craig was elected vice chairman in the place of Mrs. Herbert Langsdorf, who has taken up her residence in Plattsburg for the future. A vote of thanks from the club members was extended to Mrs. E. G. Orear for her splendid work in conducting the parliamentary drill of the department last season. To add enjoyment to the opening day of the department, Mrs. Tate served a delightful luncheon at the close of the afternoon.

To Attend District Convention.

Mrs. L. E. Dean and Mrs. M. G. Tate will leave tomorrow morning for Chillicothe to attend the twelfth annual meeting of the First district of the Missouri Federation of Women's Clubs. Mrs. Dean and Mrs. Tate go as representatives of the Twentieth Century club. One of the principal duties of the delegates will be to present to the assembled club women an invitation from Maryville for the 1915 meet. The Maryville club women are very anxious to have the pleasure of entertaining the district meeting next October.

The meeting at Chillicothe opens Thursday evening with a reception for the visiting delegates. The reports of the standing committees are to be given on Friday morning. Two of these reports are to be given by Twentieth Century members of this city; Mrs. E. G. Orear, chairman of the literature and reciprocity committee, and Mrs. Ferdinand Townsend, chairman of the fine arts committee. Neither Mrs. Orear or Mrs. Townsend will be able to attend and their reports will be given by the delegates. The final address of the meeting will be given by Mrs. W. R. Chivvis of St. Louis, president of the state federation.

Birthday Surprise.

Mrs. J. L. Charles, living ten miles southwest of the city, was honored by a surprise party Sunday, given to celebrate her seventy-first birthday anniversary. The guests gathered at the Charles home about 11:30, and when Mr. and Mrs. Charles and son, Edward, returned from church they were met by a big crowd of relatives and friends. Dinner was served at 1 o'clock and the afternoon spent visiting. The company included Mr. and Mrs. J. L. Charles, Mr. and Mrs. A. L. Charles, Mr. and Mrs. D. J. Busby, Mr. and Mrs. P. K. Brown, Mr. and Mrs Gene Crawford, Mr. and Mrs. Gaylord Dilts, Mr. and Mrs. George Coler, Mr. and Mrs. Dillard Palmer, Mr. and Mrs. Wilson Ellsworth, Mr. and Mrs. E. L. Dakin, Mr. and Mrs. Cal Williams, Mr. and Mrs. M. C. Williams, Mr. and Mrs. Fred Fox, Mrs. Cynthia McAllister, Mrs. Riley Dakin, Mrs. Oliver Wyatt of Clinton, Mo., a niece of J. L. Charles, who is visiting at their home; Miss Maude Wyatt of Clinton, Miss Elsie Alkire of Maryville, Miss Vernie Coler, Miss Mildred Palmer, Miss Minnie Fox, Miss Clio Coler, Miss Mary Crawford, Miss Lois Dakin, Miss Mildred Williams, Miss Mary Busby, Harley Keyes of Plainville Kan.; Merlin Dakin, Edward Charles, Paul Dilts, Dale McGinniss, Earl Charles, Theodore Palmer, Ernest Coler, Ralph Palmer, Ervil Coler, Everett Fox, Bert Williams, Lucile Crawford, Frank Dakin, Pearl Crawford, Marion Dakin and Henry Ellsworth.

A Booster Law Needed.

Information arriving at the office of the state board of agriculture suggests Missouri has broken all previous records for alfalfa sowing this year, even in the face of adverse weather conditions. However, it is simply an estimate, for until this state has an agricultural statistical law, (a "Booster Law") the actual measure of farm progress cannot be known. In Kansas, Colorado, Iowa, and other states that get credit for remarkable progress, the township and county assessors gather the agricultural statistics as they assess the property—and they find out each year exactly the acreage in each crop, the number of silos, the increase in each crop, number of fruit trees, and other farm facts. The absence of such a law is hurting Missouri's good name, and the Democrat-Forum wonders how long we will continue to suffer because of the lack of such a statute.

FOR HEAD COLDS OR ANY CATARRH ILL

Surely use Hyomei; it quickly clears the head, stops the disagreeable nasal discharges, soothes and heals the inflamable lining of the air passages—you feel better at once.

When your nostrils are clogged, you suffer with dull headaches, or have that constant frog in the throat, Hyomei is the remedy that will give the quickest, most effective and lasting relief possible—it goes right to the cause of the trouble and quickly ends your misery. You simply breathe Hyomei, using the small inhaler that comes with every complete outfit.

Hyomei immediately reaches all the raw and inflamed tissues lining the nose and throat, driving out the poisonous secretions and healing the sore spots—dull headaches vanish—you breathe freely. Even the worst cases respond quickly. It is impossible to use Hyomei and not be immediately benefited.

Hyomei can be had from the Orear-Henry Drug company, and is very inexpensive.

To Gather Corn Early.

An examination of the condition of the corn staiks and the ears in the fields in several sections of Missouri proves the need of gathering your crop early. Bert Ball says "pick it" but we will forgive him if he will use Missouri's word "gather" hereafter. The state board of agriculture urges putting corn in the dry this year as early as possible after finishing wheat sowing. Shuck if too sappy to snap for safe cribbing—do not delay if you can get a wagon through the field with a load.

SHE WILL SAY, "YES OR HEATING STOVES."

Boosting Ma Chicken.

"Farm Poultry in Missouri" is the latest booster book dedicated to Ma Chicken. It is the seventh number of the practical farm library series issued in handy form by the state board of agriculture. The bulletin was written by Professor H. L. Kempster of the department of poultry husbandry, University of Missouri, and contains 98 pages of valuable information for the lady of the house on the farm.

Accident Victim Improves.

The hemorrhage which resulted when Maynard Collins, 15 years old, was accidentally injured by a shell exploding against his left foot Sunday, has been stopped, according to Dr. William Wallis, Jr., who attended him. It was believed necessary yesterday to take up the severed arteries in order to stop the constant flow of blood. It is believed now the flow has been stopped permanently and that the wound will heal readily unless blood poison results.
